

Call for Abstracts – Deadline December 1, 2010

Dear Colleague,

We have the honour to announce the **8th European Lupus Meeting** which will take place in Porto, the capital of northern Portugal, on 6 – 9 April 2011.

Mark your diary for this important event where we will discuss what we know about its pathogenesis, highlight all its thousand faces, remember all the investigations done and discuss the new roads of research. Let's share the certainties, the doubts and strategies.

We also invite you to submit your scientific work:
